1 Year Warranty

The MTR-EVUE-4BW is a plug and play 4" monochrome LCD monitor with video input. It is housed in a ruggedized metal enclosure with 75 mm VESA complaint mounting holes on the back. Additional options for mounting include a Panavise stand with desk-top base plate.

OPTIONS:

Panavise stand is a fully articulating ball joint arm that moves left to right, top to bottom and diagonally.

Base plate stand is a heavy, metal stand, designed for applications where LCD stability is key
